

Press Release

9th June 2006

New Landmark for Taylor Walton

June marks a special occasion in the Taylor Walton diary as the Herts & Beds based firm relocates into its prestigious new building TW House, on the corner of Station Approach and Station Road in Harpenden.

Taylor Walton Managing Partner Dermot Carey & Peter Lilley

Press Release

The new offices were designed by local architects Clarke & Whalen and were built by Jarvis in just over a year. The unusual 3-storey development with a distinctive turret at the front of the building is now a local landmark and a familiar sight for commuters and Harpenden residents.

The official opening of the building took place on Friday 9th June. The Rt Hon Peter Lilley, MP for Harpenden cut the ribbon alongside Mayor John Chambers, Deputy Mayor Michael Weaver and Taylor Walton Managing Partner, Dermot Carey.

Dermot, is thrilled with the long awaited new building, "we are delighted with TW House. The firm has expanded considerably since we first opened in Harpenden over 35 years ago, TW House is further evidence of that expansion. TW House has been purpose built to meet clients needs in the twenty first century. The residents of Harpenden and the surrounding areas are very important to Taylor Walton and we aim to provide them with excellent services in comfortable and convenient surroundings for many years to come."

ENDS

Taylor Walton is a 24 partner firm with a total of approximately 200 staff and is ranked in the top ten law firms in the South East.

Independent directory The Legal 500 says that "Taylor Walton offers an excellent standard of service across a range of commercial and private client activities, and maintains an excellent track record for contentious and non-contentious employment and property."
