INFORMATION FORM

IMPORTANT NOTE TO SELLERS – PLEASE READ THIS FIRST

- * **Please complete this form carefully. If you are unsure how to answer the questions, ask your solicitor before doing so.**
- * **This form in due course will be sent to the buyer's solicitor and will be seen by the buyer who is entitled to rely on the information**
- * For many of the questions you need only tick the correct answer. Where necessary, please give more detailed answers on a separate sheet of paper. Then send all the replies to your solicitor so that the information can be passed to the buyer's solicitor.
- * The answers should be those of the person whose name is on the deeds. If there is more than one of you, you should prepare the answers together.
- * It is very important that your answers are correct because the buyer is entitled to rely on them in deciding whether to go ahead. Incorrect or incomplete information given to the buyer direct through your solicitor or selling agent, or mentioned to the buyer in conversation between you, may mean that the buyer can claim compensation from you or even refuse to complete the purchase.
- * If you do not know the answer to any question you must say so.
- * The buyer takes the property in its present physical condition and should, if necessary, seek independent advice, e.g. instruct a surveyor. You should not give the buyer your views on the condition of the property.
- * If anything changes after you fill in this questionnaire but before the sale is completed, tell your solicitor immediately. This is as important as giving the right answers in the first place
- * Please pass to your solicitor immediately any notices you have received which affect the property, including any notices which arrive at any time before completion of your sale.
- * If you have a tenant, tell your solicitor immediately there is a change in the arrangements but do nothing without asking your solicitor first.
- * You should let your solicitor have any letters, agreements or other documents which help answer the questions. If you know of any which you are not supplying with these answers, please tell your solicitor about them.

* Please complete and return the separate Fixtures, Fittings and Contents Form. It is an important document which will form part of the contract between you and the buyer. Unless you mark clearly on it the items which you wish to remove, they will be included in the sale and you will not be able to take them with you when you move.

* You may wish to delay the completion of the Fixtures, Fittings and Contents Form until you have a prospective buyer and have agreed the price.
